Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative to clarify that the Action mailed on 9/25/06 was final, as indicated in the PTO-326 form. As indicated to Applicant's Representative during our telephonic conversation, the following statement was missing in the Office Action of 9/25/06: "A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.".
